[1] Phyllis Tsang, Architectural Science '05, recently volunteered

in Haiti with Engineering Ministries International in Croix des Bouquets. She was part of a team of architects and engineers from across North America who volunteered their time to design a new facility for Life is Hope Orphanage, which has been caring for children since 2001. It grew in

the days and weeks following the 2010 earthquake and currently cares for 175 children at two orphanage sites, but has had to turn away children due to lack of room in the current facilities. As part of the architectural team, Tsang's role was to establish the site plans and design of an orphanage and guest house.

10s

Bobby Thomas Cameron, Public Policy and Administration (master's) '10, was nominated for the Shirley Case Leadership Award for Global Citizenship in recognition of his contributions to his community and beyond. During his undergraduate studies at the University of Prince Edward Island, he was active with the Students for

Literacy program and the student refugee program, and sought out roles that mirrored his commitment to social justice. While studying abroad in Malta, Cameron established an English language program at a refugee centre to assist asylum seekers, and later volunteered in Kenya with the Muchui Women's Business Cooperative and Farmers Helping Farmers. In recognition of his volunteerism and commitment to international development, he was awarded the 2010 Red Cross Young Humanitarian Award, the Dan MacIntyre Human Rights Award and the McGraw-Hill Publishers Engagement, Initiative and Achievement Award.

Ringo Ka Long Ng, Building Science (master's) '10, was among 20 nominees in the
